Intro G C Em C G C Em D/F#m

G
How sweet the Name of Jesus
sounds
C G
in a believer's ear!
C G
It soothes his sorrows, heals his
wounds,
D
and drives away his fear.

G
It makes the wounded spirit whole,
C Em
and calms the troubled breast;
C Em D
'tis manna to the hungry soul,
C D G
and to the weary, rest.

Chorus:

D
O praise the name of Jesus
C
The name high over all
C Em D
The highest heaven cannot contain
C D G
It's greatness and it's power

G
Dear Name, the rock on which I
build,
C G
my shield and hiding-place,
C G
my never-failing treasury, filled
D
with boundless stores of grace!
G
Jesus! my Shepherd, Brother,
Friend,
C Em
my Prophet, Priest and King,
C Em D
my Lord, my Life, my Way, my End,
C D G
accept the praise I bring.

Chorus

Em
Weak is the effort of my heart,
C G
and cold my warmest thought;
C G
but when I see you face to face,
D/F#m C-D-Em- G
I'll praise you as I ought.
G
Till then I would your love proclaim
C Em
with every fleeting breath;
C Em D
and may the music of your Name
C D G *(sing line octave
higher)*
refresh my soul in death!
