### Verse 1

**Ab** **E/b/G**

All the wisdom love pow'r

### Verse 2

All my fountains are found in the heart of my

From the river that flowed when the Lamb  
Shed His blood  
He can wash ev'ry sin that has tarnished my  
soul  
Robe me in righteousness forever

### Chorus

**Ab** **Eb**  
All the treasures of earth  
**Fm2**  
Could not outshine this Son

He is all that I need  
**Eb/G** **Fm2**  
In this life and be-yond  
**Db2**  
And His kingdom is glo-rious

One day heaven and earth will resound  
With His praise  
With archangels and men falling down on  
their knees  
For the King of all heav'n who has won victory  
Comes with glory and pow'r forever

When I stand on that day in that glorious

There beholding His glory beholding His face
